

Product/Service Bulletin

Manufacture Discontinue Notice

This notice applies to the 298 Chassis (excluding CPU Drawer and 200 Series Cards):

Product Specifics

The 298 series has a long successful history of providing a reliable solution to Sciometric customers and as a result of alternative product offerings, we are discontinuing the 298 chassis only

Important note regarding existing systems: *We continue to support existing systems, including upgrading of CPU drawers, 200 series cards, upgrades to InspecXion, and applications support.*

Alternative Product Options

Sciometric 300 series with optional enclosure will provide an alternative to the 298 Chassis. Additional information on the 300 can be obtained by going to our website or by contacting Sciometric directly

Key Dates and Support

The below table provides a list of key Milestones and dates related to this discontinuation notice.

Please note that Sciometric will endeavour to provide support for legacy systems on an “as...” basis but can not guarantee this support after the dates noted below.

The below table provides a list of key Milestones and dates related to this discontinuation notice.
